

ATTACH/DETACH INSTRUCTIONS LABEL

Installation Instructions

Apply the supplied skid steer Attach/Detach instructions label directly over the current Attach/Detach instructions label on the back of the blade.

If the blade has no current label, place the supplied label on the back of the blade, on the driver's side, in an area visible during the attach and detach procedure. The Warning/Caution label must remain visible.

Thoroughly clean and dry the existing label or blade surface area before applying the new label.
